

HIGH SCHOOL VOLUNTEER APPLICATION FORM

Interested in earning your volunteer hours at the museum? We'd like your help!

We provide training and support. You, as a student volunteer, welcome visitors to the museum and introduce them to the feature exhibit, answer basic visitor questions and assist with museum activities (such as our LEGO scavenger hunt) as required. Great for motivated students with an outgoing and friendly personality, who are interested in LEGO and/or history and enjoy working with families.
