For Immediate Release

## ***Annual LEGO® Brick exhibit at the Sidney Museum opens December 20***

Sidney, British Columbia, December 18, 2024 - The Sidney Museum and Archives is delighted to announce the return of its annual LEGO® Brick Exhibition! Back for its 19th consecutive year, the exhibit will open to the public on December 20th and will run until March 30, 2025.

Hundreds of LEGO® creations will be displayed throughout the Museum, many of which play into this year's subtheme, *A Hidden World*. Walk through the gallery to see hidden details and unique angles that highlight the attention-to-detail employed in the creation of LEGO® sets. Visitors can anticipate returning displays drawing from themes such as Architecture, Star Wars™, and Lord of the Rings™ alongside new featured sets like Notre-Dame de Paris, Jaws, plants and animals, and much more!

Also new to the exhibit is a "Community Creations" display, where visitors can enter to display their custom LEGO® creations for everyone to enjoy for one month of the exhibit. The Sidney Museum is still accepting submissions. To learn more and enter a creation visit [sidneymuseum.ca/programs/lego-community-creations](http://sidneymuseum.ca/programs/lego-community-creations).

Interpretation throughout the Museum will highlight the history of the hobby, how it gained its widespread popularity, and fascinating facts about specific sets on display. Popular activities such as our Museum-wide scavenger hunt and "Guess the Bricks contest" will also be returning.

Whether reconnecting with an old hobby or continuing your LEGO® adventures, Sidney Museum's exhibition is sure to delight and inspire visitors of all ages this winter!

The Sidney Museum and Archives is located at 2423 Beacon Avenue, in the lower level of the Olde Post Office building. The Museum is open seven days a week from 10:00am - 4:00pm. Entrance is by donation. Please visit the Museum's website to get up-to-date details on upcoming exhibits and events.
